

UNITED STATES BANKRUPTCY COURT  
SOUTHERN DISTRICT OF INDIANA

**NOTICE: PROCEDURES MANUAL  
NOW AVAILABLE ON WEBSITE AND  
IN CM-ECF**

The Bankruptcy Clerk's office is pleased to announce that its new Procedures Manual is available both on the Court's website and within CM-ECF.

The Manual is intended to provide guidance on how to file documents electronically. It also gives background information on the applicable Bankruptcy Code sections and Federal Rules of Bankruptcy Procedure. Use of an electronic format for the Manual ensures that it will be accurate and current. The front page, or "cover", of the Manual will always provide alerts on additions and changes.

Should you wish to access the Manual while you are in CM-ECF, simply select the "Procedures" option from the menu bar.

Comments and suggestions can be submitted using the "Give Us Your Feedback" option on the Procedures Manual drop-down menu on the left side of the screen.
