

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF INDIANA

CHANGE IN INSTALLMENT FEE ORDER

The Judges have edited the form order granting applications to pay fees in installments by adding this language:

Regardless of the payment terms, counsel for debtor in receipt of good funds intended for the filing fee must remit those funds to the Court within 14 days of receipt.

This change is prompted by incidents where fees were paid to counsel before an installment was due, then used by counsel for purposes other than paying the filing fee.
