

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF INDIANA

**LOCAL RULES NOW PROVIDED
IN DIFFERENT FORMAT**

This date the Court made available its Local Rules in the same program as its Procedures Manual and ECF Administrative Policies and Procedures. Court staff find this format to be more user-friendly than a PDF document. The search function is also more robust, providing a list of options rather than merely allowing the user to bounce from one matching reference to the next in the document.

The link to the Local Rules remains in the same place: on the left side of the page, at the link labeled "Local Rules and General Orders."
