

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF INDIANA

CANDIDATES SOUGHT FOR MEDIATOR PANEL

In an effort to make alternative dispute resolution more available in cases where the parties or the Court believe that issues can be resolved through that mechanism both timely and cost-effectively, the Court is developing a panel of attorneys who wish to serve as mediators pursuant to our local rule B-9019-2. The development of this panel does not in any way change that local rule.

The list is intended to serve as a resource for both parties and the Court. However, parties may still select the mediator of their choice. If parties are unable to agree, the Court will nominate three candidates and is not restricted to the names on this list.

If you want to serve as a mediator and to be listed on the panel, please send an e-mail to [Linda Alspaugh@insb.uscourts.gov](mailto:Linda_Alspaugh@insb.uscourts.gov) with the following information:

- your name, office address, phone, and e-mail address;
- your background in alternative dispute resolution including any training (certification is not a requirement);
- although not a requirement, your willingness to provide mediation pro bono in cases where the court determines that the parties cannot bear the costs of mediation.

Once developed, the list will be available on the Court's website.
