

UNITED STATES BANKRUPTCY COURT  
SOUTHERN DISTRICT OF INDIANA

**CHAPTER 13 PRACTITIONERS:  
REVISED MODEL PLAN FORM ADOPTED**

Previously, the Court gave notice of proposed edits to the model Chapter 13 plan. The deadline for comments was July 10, 2013. The Court has considered the comments received.

After such consideration, the Court made no edits to the proposed changes to paragraph 3 of the plan. However, one comment requested that paragraph 7(d), on the surrender of secured property, be edited to clarify the status of the automatic stay post-confirmation. The Court has opted to add such language.

Other minor changes were made to make references to the Bankruptcy Code, the Federal Rules of Bankruptcy Procedure, the Chapter 13 trustee and the debtor consistent.

The new model plan has been posted on the Court's website and can be accessed at <http://www.insb.uscourts.gov/WebForms/Chap13plan/ch-13-plan-model.pdf>. The new form can be used immediately. Pursuant to Local Rule B-3015-1, the Court will require that the new model plan form be used for all plans filed **on and after August 15, 2013**.
