**CHAPTER 13 PRACTITIONERS:
REVISED MODEL PLAN FORM AVAILABLE**

The Court has revised the Chapter 13 model plan form, after considering comments to the proposed revisions described in the Court's announcement of December 11, 2012.

The revised plan form is available, in both Word and PDF format, on the Court's website at [Forms>Local>Chapter 13](#). Please update your forms as soon as possible, as the revised form will allow use of a streamlined process for resolving trustee motions to dismiss if a plan default occurs.
