

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF INDIANA

FEES: ACH PAYMENT OPTION AVAILABLE SOON

Effective January 2, 2019, the Court will accept ACH (Automated Clearing House) payments for filing fees. This option will be available to attorneys and limited users with active ECF accounts. A screen shot of the new feature is attached to this notice.

Pursuant to Judicial Conference policy, a \$53 fee will be imposed on any ACH remittance returned for non-payment. Furthermore, if the transaction does not clear, the original fee and the NSF fee cannot be paid electronically. The filer will be locked out until the original fee and the NSF fee have been paid.

Please note that ACH payments can be returned by a bank if the account holder has an ACH debit block in place. The Court's ID - 0000862801 - should be provided to the bank to allow for processing of these payments.
