

## Coming Soon - - New Version of ChapMobile

We are pleased to announce the newest version of the ChapMobile App will be released soon. If you are a current App user, you should receive an updated notice from your device's app store.

### Improvements:

- Look and feel improvements
- Hearing expand/collapse icons for multiple attorneys
- Simplified searches throughout the App
- Expansion of personalized lists for tracking cases, debtors, and attorney hearings
- Active hearing indicator
- Overall improved speed and performance

### New features:

#### Hearing Calendar

- View Calendars for all judges or create shortcuts to your “favorite” judge(s) calendar(s)
- When more than one Moving or Opposing Counsel exists for a hearing scheduled on the calendar, two icons display:
  - Tap  to expand the list of attorneys. Tap  to minimize it.

#### Active Hearing Icon

- In Attorney Search or "My Lists" area, the new  icon displays to indicate active hearings are scheduled on the Hearing Calendar.

#### My Lists

“My List” was changed to “My Lists”. Create “favorites” for attorneys, debtors, and cases. Three new icons are available at the top of “My Lists”:

- **“My Cases”** is a new feature to track hearings for a favorite case. Tap the  icon to search for a case number.
- The **“Debtor List”** is a new feature to track a debtor’s hearings. Tap the  icon to search for a debtor.
- From “My Lists”, tap the  icon to view upcoming 341 Meetings scheduled for all "favorite" attorneys

#### Hide/Filter Feature

When searching for an attorney, debtor, or case number in “My Lists”, new options are available to hide attorneys, debtors, or cases that do not have active hearings. The hide setting is located at the bottom of each area of My Lists:

- Hide attorneys with no active hearings
- Hide debtors with no active hearings
- Hide case numbers with no active hearings
