## Redacting Personal Identifiers

E-filers must ensure that the documents they file do not contain personal identifiers. [See Fed.R.Bankr.P. 9037 for a list of such identifiers.] If a document containing personal identifiers is filed inadvertently, the e-filer must file an amended, redacted document and a Motion to Remove Document or Motion for Protective Order, whichever is applicable. [See [CM/ECF Procedures Manual](#).]

### History of Changes

04/11/2014 - Added the cite for a listing of personal identifiers and admonished e-filers to redact.
