

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF INDIANA

IMPORTANT NOTICE: PLAN FORM CORRECTED

A practitioner alerted the Clerk's office that the recently posted version of the Chapter 13 plan form was missing this statement at the end of paragraph 7, concerning the treatment of claims secured by the debtor's residence:

No late charges, fees or other monetary amounts shall be assessed based on the timing of any payments made by the Trustee under the provisions of the Plan, unless allowed by Order of the Court.

This omission was inadvertent. A corrected version of the form plan has been posted and can be viewed [here](#).

Note: The plan form is interactive (fillable). Interactive forms available on the Court's website work best with the Internet Explorer web browser.

We apologize for any confusion caused by the erroneous omission of the noted text.
