**INSTALLMENT FEE PAYMENTS:
PROCESS IMPROVEMENTS AND UPDATES**

Effective September 23, 2013, several changes concerning installment fee payments will be implemented.

- Electronic Payment: Pursuant to Local Rule S.D.Ind. B-1006-1(e), if the debtor is represented by counsel, all installment fee payments must be made electronically by counsel. The Installment Fee Payment event has been updated to allow users to pay any amount as long as it's not less than the minimum requirements.
- Filing Fee under Query: This new option, available under Query, displays the original filing fee, all payments received, and the balance due.
- Dismissed for Failure to Pay: If a case is dismissed for failure to make an installment fee payment, the entire filing fee is due upon the filing of a Motion for Relief from Dismissal Order.
