

UNITED STATES BANKRUPTCY COURT  
SOUTHERN DISTRICT OF INDIANA

**LOCAL RULES UPDATE:  
CORRECTION OF INADVERTENT OMISSION**

After publication of the set of Local Rules effective October 1<sup>st</sup>, it was discovered that during the renumbering and editing process one existing local rule was inadvertently omitted.

Former Local Rule B-3015-3 dealt with Chapter 13 pre-confirmation payments and confirmation hearings. It brought into the local rules two previous General Orders, 05-0004 and 05-0005.

No change to that rule was proposed by the Rules Committee or adopted by the Judges. However, through inadvertence a new on filing and distribution of pre- and post-confirmation Chapter 13 plan modifications was assigned the number B-3015-3 and original B-3015-3 disappeared.

That previous local rule has been added back to the set, and numbered as B-3015-4. A corrected set of the local rules is now available on the Court's Website.

Apologies for this error and the resulting confusion.
