

UNITED STATES BANKRUPTCY COURT
SOUTHERN DISTRICT OF INDIANA

NOTICE: RISKS OF SHARING ACCOUNT CREDENTIALS

Sharing your PACER account credentials with a third-party service provider or designating that provider as a secondary recipient of a Notice of Electronic Filing (NEF) may give that third-party service provider access to restricted documents, such as the debtor's Social Security number statement. If you are involved in a case with sealed documents or a case that is entirely sealed, sharing your credentials could give others access to information and documents in violation of the court's sealing orders.

Please use caution in your computer security practices to ensure that restricted and sealed documents to which you have access are not disclosed. Fee exempt users should not share the documents they obtain from PACER under the exemption, unless expressly authorized by the court.
